

Activity Sheet 12

Workshop 12 Image Sharing

Activity 12.1

You have just watched a video that portrays the story of Ann and Barry.

Discuss the following in your class.

- » What is the context of this relationship?
- » What is the motive of the image sharing?
- » What is the scale of distribution? (How many people have seen this image?)
- » What are the consequences for Ann and Barry?
- » Who consented to sending this picture?
- » Is this sharing legal?
- » If not, is there or is there not intention to cause harm?

Activity 12.2

You have just watched a video that portrays the story of Ann and Barry.

Discuss why you think Barry shared the image.

Below are some possible reasons:

- » Barry really likes Ann, and wants to show off to his friends.
 - » Barry is in shock, he has never received a photo like this before and wants to discuss it with a friend who may have received the same image to know what he should do?
 - » Barry will shame Ann, what a slag!
 - » Barry knows that this will be his chance to be the alpha of the group.
 - » Barry wants to share the picture of Ann to others, as a nice gesture, to show how beautiful she is.
-
- » What is the scale of distribution? (How many people might see this image?)
 - » What are the consequences for Ann?
 - » What are the consequences for Barry?
 - » Is this image sharing legal?
 - » If not, is there or is there not intention to cause harm?
 - » What could Barry have done differently in this situation?

Activity 12.3

You have just watched a video that shows the story of Ann who has received an unsolicited intimate image from a guy called Paul..

Discuss the following in your classroom.

- » What could Paul have done differently in this situation?

- » What could Ann do with the picture?

- » What is the scale of distribution?

- » What are the consequences for Paul?

- » Who else could see the image

- » What are the consequences for Ann?

- » Is this image sharing legal?

- » If not, is there or is there not intention to cause harm?

Activity 12.4

You have just watched a video that shows the story of Ann whose image was shared without her consent.

- » What are the differences between the reactions from the guys and the reactions from the girls?

- » What are the consequences for Ann?

- » What are the consequences for Barry for forwarding Ann's image to the lads without her consent??

- » What could Ann and Barry's friends have done differently in this situation?

- » Is this image sharing legal?

- » If not, is there or is there not intention to cause harm?
